Re: Use of Spectrum Bands Above 24 GHz for Mobile Radio Services
GN Docket No. 14-177

Dear Ms. Dortch:

On September 5, 2018, Catherine Hilke, Philip Junker, Charla Rath, Doug Reeves, and I of Verizon met with Simon Bayai, Jonathan Campbell, Angela King (via teleconference), John Schauble, Catherine Schroeder, Blaise Scinto, Don Stockdale, Jennifer Tomchin (via teleconference), and Margaret Wiener of the Wireless Telecommunications Bureau and Doug Klein, Joel Rabinovitz, and Max Staloff of the Office of General Counsel. During the meeting, we discussed the potential tax implications of various Commission proposals to reduce encumbrances in the 39 GHz band, including voluntary spectrum swaps, mandatory repacking, and a voucher exchange. Please let me know if you have any questions.

Sincerely,

Gregory M. Romano
